

DESCENDIT COB

15 LOW STEEL WHITE

DESCENDIT COB 15 LOW STEEL WHITE (ON/OFF)

The DESCENDIT COB 15 LOW STEEL recessed downlight is the perfect solution for modern and sleek lighting systems. Compared to the standard DESCENDIT COB 15 model, this version features a lower profile, making it ideal for installation in spaces with limited height without compromising on performance or aesthetics.

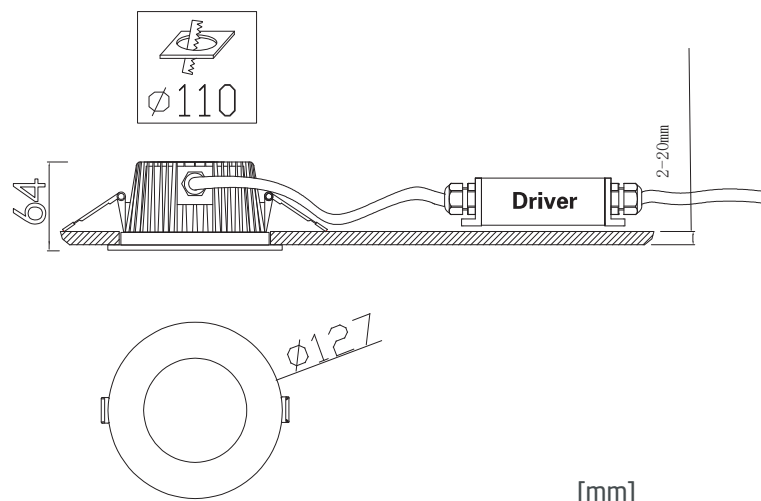

Equipped with a high-quality COB chip, this fixture delivers excellent light output and energy efficiency. Additionally, it comes with an external driver, providing greater flexibility in installation and ensuring reliable performance. The DESCENDIT COB 15 LOW combines functionality, elegance, and durability, making it a top choice for both residential and commercial applications.
